

“Your future, Our priority”

Vision

Collaboration and trust empower our organization allowing all schools to achieve their full potential

Our Mission

Aspire to Excellence through being a bridge for academic pursuit of the younger generation is our mission, to:

- Strive for a safe environment that encourages excellence in learning
- Develop a sustainable learning skills that recognize the social, emotional and academic needs of students
- Promote self-reliance, responsibility, and productivity in each student as contributors to our society

About us

EEDC Education Management established in 2015 to meet the demand from students and institutions for professional and independent professional services. **ACI Education Management** is a consulting group of professionals with a combined experience of 90 years of international work in training, management, research, strategic planning, and organizational transformation.

ACI Education Management has an experienced team of professionals to provide services and solutions for every aspect of charter school establishment and operation. The company ensures the school's Governing Body has complete autonomy and control over its school academic program, staffing needs and curriculum.
