Glows
in the
Dark!

MAGIC
IN THE
MIST

All throughout the forest
Merida loved to roam.
When the sun began to set,
it was time to head for home.

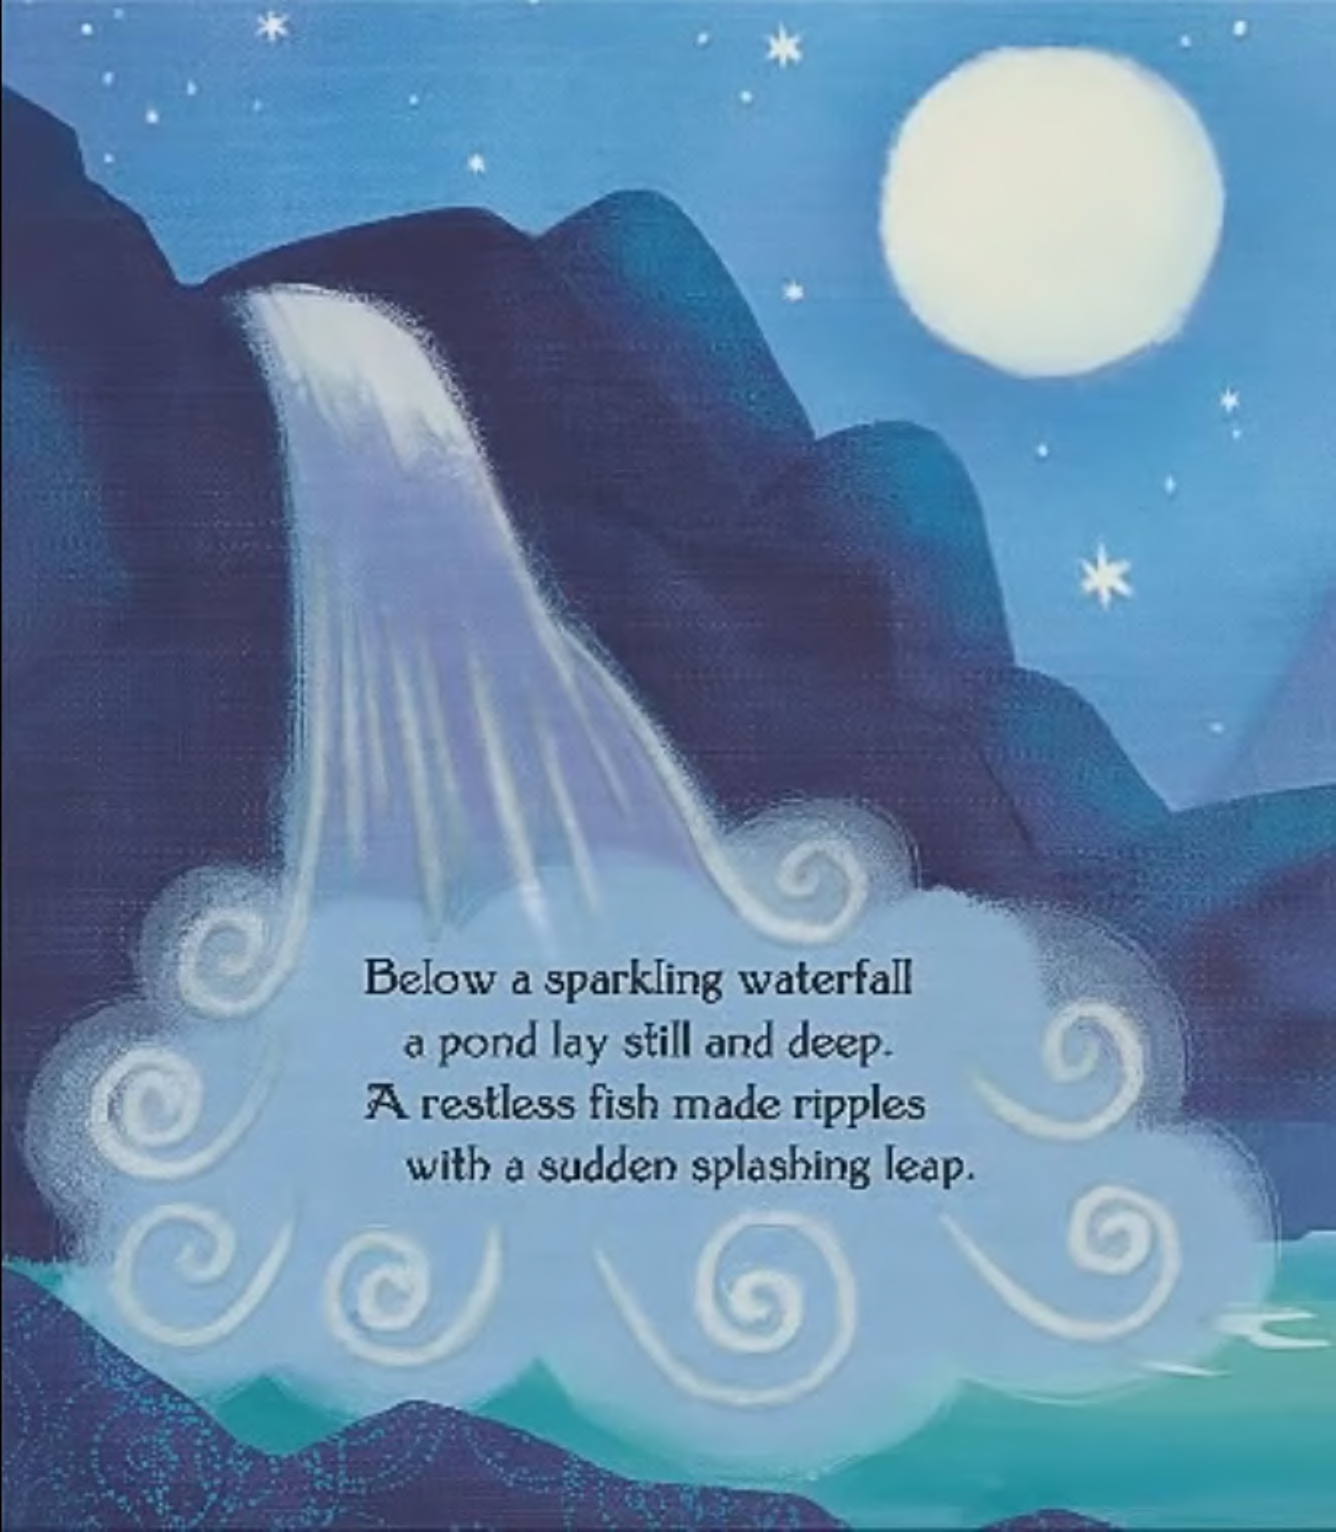

Above the quiet woodlands,
the silver moon beamed bright.
And all the woodland creatures
were getting ready for night.

Sleepy sheep stood quietly
as Merida rode by.

"Good night," the breezes whispered
with a soft and gentle sigh.

A night scene featuring a waterfall cascading over dark, jagged rocks. The water is depicted with white and light blue streaks, creating a sense of movement. Below the waterfall, a pond is shown with several white, swirling patterns on its surface, suggesting ripples or a splash. The sky is a deep blue, filled with numerous small white stars and a large, bright, glowing yellow moon in the upper right quadrant. The overall atmosphere is serene and magical.

Below a sparkling waterfall
a pond lay still and deep.
A restless fish made ripples
with a sudden splashing leap.

Then, at last, brave Merida
saw a welcome sight:
The castle windows shining
with a warm and golden light.

Of all the things that she had seen
while on her evening ride,
She loved the most the glow of home,
which beckoned her inside.
